

# Sad Eyes

## New Morality

I don't like the things you don't say  
Leavin' it for such a long, long time  
Why do you show me those sad, sad eyes  
Each time you decide to pass on by  
And when you smile those sad eyes  
    Look sadder and sadder still  
    Autumn's hue in those sad eyes  
    Makes me love and love them more  
    I'll have a bath, I'll make the dinner  
    And then I'll go wait for a long, long time  
    But still you've not passed my door  
    And when you smile those sad eyes  
    Look sadder and sadder still  
I can tell that you're lonely but it seems now  
    There's nothing you want me to do  
    So I won't try to take the sadness  
    From those eyes that I love  
    Leave it open for someone else to  
    And when you smile those sad eyes  
    Look sadder and sadder still  
    Trying to hold it together  
    Keep my love as light as a feather  
    Sad eyes, baby, it's been such a long time  
    Keep my heart breaking in the dark  
    Come and spend the night  
Sad eyes [Incomprehensible] hold it together  
    (Sad eyes, oh)  
    Keep my love as light as a feather  
    (Sad eyes)  
Sad eyes, baby, it's been such a long time  
    (Sad eyes)  
    Keep my heart breaking in the dark  
    Come and spend the night  
    Sad eyes  
    Sad eyes  
    Sad eyes
