California Girls

David Hasselhoff

Well, east coast girls are hip
I really dig those styles they wear
And the southern girls with the way they talk
They knock me out when Im thereThe Midwest farmers daughters
Really make you feel alright
And the northern girls were the way they kiss
And keep boyfriends warm at nightI wish they all could be Californian
I wish they all could be Californian
I wish they all could be Californian girlsThe west coast has the sunshine
And the girls all get so tanned
I dig a frizz bikini of the wild alloy coast
By a palm tree in the sandIve been all around this big, big world
And Ive seen all kind of girls
Yeah, but I couldnt wait to get back in the states
Back to the cutest girls in the worldI wish they all could be Californian
I wish they all could be Californian
I wish they all could be Californian girlsI wish they all could be Californian girls
I wish they all could be Californian girls
