(i Got) The Fever

Oasis

Swear, I heard a song on the radio
My heart is laughing back at me
I can see it comin' but I just don't know
If it's gon' , it's gon, it's gonna let me beAs I saw on the breeze
I can see the sons of
Those who came before me
And it's got me on my kneesWhat you say, anyway
Will not last, it'll pass
It'll flash right there before me
And it's got me on my knees'Cos I got the fever
Yeah, I got the fever
'Cos I got the feverI'm tired of my life but my heads alright
I got the fever off a man I know
I can feel it comin' in the air tonight
And I know, I know, I knowSwear, I heard a song on the radio
My heart is laughing back at me
I can see it comin' but I just don't know
If it's gon' , it's gon, it's gonna let me beAs I saw on the breeze
I can see the sons of
Those who came before me
And it's got me on my kneesWhat you say, anyway
Will not last, it'll pass
It'll flash right there before me
And it's got me on my kneesIt's got me on my knees
It's got me on my knees
It's got me on my kneesAs I saw on the breeze
I can see the sons of
Those who came before me
And it's got me on my kneesWhat you say, anyway
Will not last, it'll pass
It'll flash right there before me
And it's got me on my kneesIt's got me on my knees
It's got me on my knees
It's got me on my knees
It's got me on my knees
