

# The Race

## 30 Seconds to Mars

You saved my life  
With blood and through sacrifice.  
The lessons that I've learned  
I promise you I said:  
Never again!  
Never again!  
No never! Hey! It began with an ending.  
Hey! We were fighting for the world.  
Hey! My desire never ending.  
Hey! The the the race. Race. Love is a dangerous game to play.  
Hearts are made for breaking and for pain.  
I'm selfish and I'm cold.  
I promise you I said:  
Never again!  
Never again!  
No never! Hey! It began with an ending.  
Hey! We were fighting for the world.  
Hey! My desire never ending.  
Hey! The the the race. Race. I'm not running, no not running.  
I'm not running, no not running.  
I'm not running, no not running.  
I'm not running, no not running.  
No. You saved my life.  
You saved my life. Hey! Hey! Hey!  
The the the race. Race.  
Hey! Hey! Hey!  
The the the race. Race. I'm not running, no not running.  
I'm not running, no not running.  
I'm not running, no not running.  
I'm not running, no not running.  
No.
