

# Railway (Daniele Di Martino Edit)

## Boy

Railway tracks  
Mountain tops  
Frozen fields  
A church a dog  
Icicles  
On a fence  
That reminds me  
Of my heart And you're in my head  
Only in my head Roadhouse  
Parking lots  
Factories  
Stones and rocks  
Metal sky Crispy air  
I'm halfway gone  
I'm halfway there Villages  
In white disguise  
Lakes as green  
As your eyes  
Railway tracks  
Mountain tops  
I'm breaking through  
These tunnel walls And you're in my head  
Only in my head  
I'm waving goodbye  
Only in my mind
