Bad Boy Boogie (Version 1)

[Mark Kozelek](#)

On the day I was born the rain came down
And there was trouble brewing in my home town
It was the seventh day, I felt like Satan's son
And I scared the ghost out of everyoneThey said stop and I said go
They said yes and I said no
They said fast and I said slowBeing bad ain't so bad
I've known more pretty women than most men had
So won't you all come along with me
And I'll show you how fun that bad can beThey said right and I said left
They said east and I said west
Oh, they said up and I said downI tell you a story, it ain't no lie
I was born to love 'til the day I die
So you can line 'em up, I'll knock 'em down
'Til they all come tumbling, tumbling downThey said up and I said down
They said sleep but I roam
Oh, they said lost and I said found
