My First Love

The Red Baron

To my first love. I'm running back to you. My hearts in pieces. Looking back on what I've been thru. And I'm ready. So ready to be broken. So there's something more than this.

I've spent so many nights looking at the sky wondering why I'm still alive.
But now it's crystal clear. I've walked away from where my purpose lies. I'm on bended knee. Please hear my cries.

To my first love. To my first love

I need you. I want you. Please take my life forever. So broken so contrite. I need you more than ever.
I need you. I want you.
I need you now more than ever.
I need you now more than ever.

Hear my cry. Hear my plea. I'm ready to surrender.
Hear my cry. Hear my plea. I need you more than ever.
Hear my cry. Hear my plea. I'm ready to surrender.
Hear my cry. Hear my plea. I need you more than ever.

I need you now more than ever
I need you now more than ever
More than ever
More than ever

Take me. Take me as I am. Abba father. My life is in your hands. x4
