

I Can't Make It (Stereo Remix)

Small Faces

I know how you're feeling
I felt that way too
So don't get hung up
cause is heeling
I'm gonna help you through it all I can't make it if you can't
I can't take it if you can't
I know that you're heart strong
I know that you hold on
I can't make it without you
I can't make it without you
So open up your mind
As will as your heart
I can't go on
knowing you're not near me
I know that I could love you
cause you kissed me with your eyes
but you ain't got the strength to make it with me
I can't sympathize
I can't make it if
I can't take it if you can't
I know that you're heart strong
I know that you hold on I can't make it without you
You know it's true girl
