

# 2 Time

## Architecture In Helsinki

Two timeHush now baby  
Have you heard?  
I'll come second and you my third  
I'm done running and you can't swim  
Guess I just want to get a hold of himHush now baby  
Don't you fight  
Struck down hiding baby from the light  
Two time loving you know I win  
Guess I just want to get a hold of him  
I just want to get a hold of him, ah  
Two, two time loving  
How does it feel to be wrapped around my finger?  
Two, two time loving  
I want you  
I need a revelationHush now baby  
Have you heard?  
I'll come second and you my third  
I'm done running and you can't swim  
Guess I just want to get a hold of him  
I just want to get a hold of him, ahTwo, two time loving  
How does it feel to be wrapped around my finger?  
Two, two time loving  
I want you  
I need a revelation  
I need a revelation  
(Hush)(Ah, ah ooh)  
(Ah, ah ooh)Ah, I just want to get a hold of him  
(Ah, ah ooh)  
Ah, I just want to get a hold of him
