

# Leave Out All The Rest

## Vitamin String Quartet

I dreamed I was missing  
You were so scared  
But no one would listen  
'Cause no one else cared After my dreaming  
I woke with this fear  
What am I leaving  
When I'm done here? So if you're asking me  
I want you to know When my time comes  
Forget the wrong that I've done  
Help me leave behind some  
Reasons to be missed And don't resent me  
And when you're feeling empty  
Keep me in your memory  
Leave out all the rest, leave out all the rest Don't be afraid  
I've taken my beating  
I've shared what I made I'm strong on the surface  
Not all the way through  
I've never been perfect  
But neither have you So if you're asking me  
I want you to know When my time comes  
Forget the wrong that I've done  
Help me leave behind some  
Reasons to be missed Don't resent me  
And when you're feeling empty  
Keep me in your memory  
Leave out all the rest, leave out all the rest Forgetting all the hurt inside  
You've learned to hide so well  
Pretending someone else can come  
And save me from myself  
I can't be who you are When my time comes  
Forget the wrong that I've done  
Help me leave behind some  
Reasons to be missed Don't resent me  
And when you're feeling empty  
Keep me in your memory  
Leave out all the rest, leave out all the rest Forgetting all the hurt inside  
You've learned to hide so well  
Pretending someone else can come  
And save me from myself

I can't be who you are  
I can't be who you are
