The Hussar

Running Wild

Mordant wall of smoke, barrels glow, shot their load
Gunfire takes your breath, balls of lead causing death
Thunderstorm breaks loose, the slaughter's son, life's on the loose
Sounding the attack, soldiers fall, back to backThe roaring horde is near, pounding hooves, mortal fear
The soldiers bravely stand, they try hard to defendTill the end!Riding the attack
Yelling screams of the fallen
Thunder, blood and pain
Madness reigns, hell is calling nowThunder shakes the ground, a deadly force, pound by pound
Frightened, nerves are blank, horseman ride, hit the flank
Cold sweat down their neck, death will ride one last attack
Fearsome battle cry, flashing guns, soldiers dieTell me why!ChorusHorror, death and pain, the devil smiles, so what's the gain?
Stretching out his claw to feed his laughing greedy jawGreedy jaw!Chorus
