

# Step On

## Happy Mondays

He's gonna step on you again, he's gonna step on you  
He's gonna step on you again, he's gonna step on you  
You're twistin' my melon man, you know you talk so hip man  
You're twistin' my melon man Hey rainmaker, come away from that man  
You know he's gonna take away your promised land  
Hey good lady he just wants what you got you know  
He'll never stop until he's taken the lot  
(hey hey he hey hey) Gonna stamp out your fire, he can change your desire  
Don't you know he can make you forget you're a man  
Gonna stamp out your fire, he can change your desire  
Don't you know he can make you forget you're the man  
You're a man You're twistin' my melon man, you speak so hip Hey rainmaker he got golden plans I tell you  
You'll make a stranger in your own land  
Hey good lady he's got God on his side he got a double  
Tongue you never think he would lie (oh he lied, oooh he's twistin' my melon man  
(oh he lied, oooh he's twistin' my melon man) Gonna stamp out your fire, he can change your desire  
Don't you know he can make you forget you're a man  
Gonna stamp out your fire, he can change your desire  
Don't you know he can make you forget you're the man  
You're the man He's gonna step on you again, he's gonna step on you  
He's gonna step on you again, he's gonna step on you Hey rainmaker, come away from that man  
You know he's gonna take away your promised land  
Hey good lady he's got God on his side he got a double  
Tongue you never think he would lie Gonna stamp out your fire, he can change your desire  
Don't you know he can make you forget you're a man  
Gonna stamp out your fire, he can change your desire  
Don't you know he can make you forget you're the man  
You're the man You're twistin' my melon man, you know you talk so hip man  
You're twistin' my melon man  
(hey hey he hey hey) He's gonna step on you again, he's gonna step on you again  
He's gonna step on you again, he's gonna step on you again
