Valley

Perfume Genius

Thought I saw you
Payphone on rocker
Michelle, I still want to give in
I'd understand if you knitHow long must we live right
Before we don't even have to try?
Wa-wa-wa
Wa-wa-waNote from your daughter
Drawing of three flowers
I still keep it with me
Does she still want to sing?
How long must we live right
Before we don't even have to try?
Wa-wa-wa
Wa-wa-waI hear the sound of a million drums
With no, no beat
Violins with no melody
I'm sick with it
Quiet
I don't blame you for wanting out
I'm kind of closed myself
No love, no amount
Never enough to go around
