Cryin'

The Caravans

Yeah, Crying
Yeah, Sleeping
Yeah, Kicking
Yeah, Keeping
All this pain inside of me
There ain't no monetary value, baby
Just heart and soul
Hustle us down to the river, child
Let it take control
Holding on to the chaos scene, Yeah
Pink ribbons and bows
Just stick with the rhythm, child

It'll save your soul
Geraldine, let it take control
Geraldine, let it save your soul
Yeah, Crying
Yeah, Sleeping
Yeah, Kicking
Yeah, Keeping
All this pain inside of me
