The Rise & Fall

Amy Macdonald

Everything must come to an end
Don't rely on the trust of men
Remember how it used to be
People helping those in need
Good guys always finish last
Power corrupts and good turns bad
Remember how I used to be
Always helping those in need
The rise and fall
I never thought it through at all
Held on to the power too long
Forsaken all the friends I've known
All of this is just a game
I don't give a damn for chance
Deep deep down we're all the same
Power, glory, money fame
Reaching out to hear the truth
No matter what it does to you
Secrets hidden in every drawer
But no one knows what we're hiding for
Together we rise and united we fall
