You said you'd be there for me
In times of trouble when I need you and I'm down
And likewise you need friendship
It's from my side pure love but I see lately things have been changing
You have goals to achieve
But the roads you take abroad are heartless
That wants you make another way
You throw stones
Can you see that I am human I am breathing
But you don't give a damnChorus:
Can you feel my heart is beating
Can you see the pain you're causing
Can you feel my heart is beating
Can you see the pain you're causingBlood blood blood.... blood is rushingAnd now the world is asleep
How will you ever wake her up when she is deep in her dreams, wishing
And yet so many die
And still we think that it is all about us
It's all about you
You sold your soul to the evil and the lust
and the passion and the money and you
See innocent ones die, people hunger for decades
suffer under civilized armedrobbers, modern slaveholdersChorus
Can you feel my heart is beating
Can you see the pain you're causing
Can you feel my heart is beating
Can you see the pain you're causingBlood blood blood.... keeps rushingEvaded, eliminated, erased, interrogated
Our tradition, our love for our fellow countrymen,
our property, our resources - our prideCan you feel my heart beating
no no no....you don'tChorus:
Can you feel my heart is beating
Can you feel the pain you're causing
Can you feel my heart is beating

Can you feel the pain you're causing
