

Money Can't Dance

Fischerspooner

We've somehow spent too much time
 Staying in line
With screwball attitudes on our minds
 We've run off the track
 The gang's all back
 We're not just donut kids
It's too late for someone like me Just get on up like I know you can
 'Cuz currency can only do so much
 And it certainly can't dance
 Can't dance
 Can't dance
 Can't dance
It's too late for someone like me Punching the clock, we somehow forgot
 We're not just donut kids
 With screwball attitudes all the time
 It's too late for someone like me
Too late for someone like me Just get on up like I know you can
 'Cuz currency can only do so much
 And it certainly can't dance
 Can't dance
 Can't dance
 Can't dance
 It's too late for (too late for)
 It's too late for someone like me
 Someone like me Sure I need you like anyone else
 And you're no fun if you can't help yourself
 There are many ways to treat a patient
But dancing's best at beating inflation Ain't got no arms, ain't got no legs
 Ain't got no eyes, ain't got no head
 Don't wanna be cruel
 Ain't got no arms, ain't got no legs
 Ain't got no eyes, ain't got no head
There's some things I can do and I can't Just get on up like I know you can
 'Cuz currency can only do so much
 And it certainly can't dance
 Can't dance
 Can't dance
 Can't dance
 Can't dance

Can't dance
Can't dance
It's too late for someone like me We're not just donut kids
We're not just donut kids
