

I'll Be in Touch

Electric Six

Yeah.

Peeling away each layer of communication
I presented this to you for your consideration
You say I talk to much [You talk to much]
But you won't even budge [Won't even budge]
Pushing into the bed in the range of emotion
It leaves me here to question your devotion
I kept you up today [Kept you up today]
But you still feel the pain [Still feel the pain]

Everybody ?

Yelling at the TV, still amazes me that you can't see [Oh] I hate you but I'll be in touch

[Oh] I hate you but I'll be in touch

I'll be in touch [I'll be in touch]

I'll be in touch [I'll be in touch]

I'll be in touch [I'll be in touch]

I'll be in touch

Thirty different ways to talk to you on my phone

Just as many ways tonight to be alone

See the girl with the ?

I love her, I want her for Christmas

Try to call me on the phone and tell yo u I ain't got the guts

I thought I'd kick that blocker directly in the nuts

A case of heresy [Case of heresy]

In case of emergency [Of emergency]

She ? so good, I never said you could

But you gave up on our love like I knew you would [Oh] I hate you but I'll be in touch

[Oh] I hate you but I'll be in touch

I'll be in touch [I'll be in touch]

I'll be in touch [I'll be in touch]

I'll be in touch [I'll be in touch]

I'll be in touch

So close your eyes

And swallow my desire

?

I'll surely take you higher

And I'll be in touch

Every, every dick blocker who stands in the way of my coronation

They best be ready to play with my ? fascination

I had you like a child [had you like a child]

? you run wild {Run wild]
What you see is what you get
And you gonna get wet
When the New York city blocker doubles-down on his bet I'll be in touch [I'll be in touch]
I'll be in touch [I'll be in touch]
I'll be in touch [I'll be in touch]
I'll be in touch, hey!
Oh yeah.
Yeah.
Come on.
Lady!
