

# First Day Out

## Kodak Black

First day out  
Gave my mama hundred racks  
And bought a iced-out AP watch  
And bought a Cuban links just to match it  
That wasn't voodoo, that wasn't magic  
Nigga be cappin', I just be laughin'  
That was God, nigga was fastin'  
And hidin' K2 in my mattress  
Smokin' Tunechi in my cell  
That was my twelfth time going to jail  
That was my second time going to hell  
And back for real but I prevail  
Canary yellow diamonds in my braces  
Same color as my lady  
'Bout to hit her with no Jimmy Mack  
And go have her a baby  
'Bout to hit her with no Jimmy  
Have her walkin' like a penguin  
Still finessin', still be poppin' frogs [?]  
And a brand new two-door Wraith  
I coulda bought it but I just rent it  
Got a brand new big old chain  
Got so much sauce I don't need no pendant  
Paintin' pictures when I be spendin'  
I'm poppin' [?] on all these women  
It's my birthday, just turned 20  
And I just went to go see the dentist  
Put some stones all in my gold  
Know you niggas thought I was gone  
Know you niggas thought I wasn't comin' home  
But guess what, bitch I'm home  
On probation, but I still keep that chrome  
Crack a nigga dome  
(On probation but I still keep that chrome  
I'll crack a nigga dome)  
Traded my AR for a sniper, traded my Draco for a TEC  
Traded my Rollie for a AP but I coulda got a Patek  
And I coulda got a Corvette, and I coulda got me a jet  
And I coulda got me some sense, but I only got me some neck

Traded my ex bitch for a check  
I'm takin' codeine with the x  
I wanna buy my brother the world  
But since I can't, I'ma get him a Lex  
Ay ay, I'm a Israel like my diamonds is real ice  
I had to sacrifice to be here, that's how I'm with you tonight  
I had to run down with my big Glock 9 to feed my appetite  
I had to go through hard times and dark times just for me to see the light  
Ay, I remember pourin' honey on my rice  
Ay, I remember havin' no money, I was livin' in shacks  
Ay, you got me fucked up if I'ma go out without a fight  
Ay, this my first day out, I'ma live it up tonight  
Live it up tonight  
This my first day out, I'ma live it up tonight  
Live it up tonight  
This my first day out, I'ma live it up tonight  
Live it up tonight  
This my first day out, I'ma live it up tonight
