

I'm a Honky Tonk Girl

[Loretta Lynn](#)

Advisory - the following lyrics contain explicit language:

Ever since you left me I've done nothing but wrong
Many nights I've laid awake and cried
We was so happy my heart was in a whirl
But now I'm a honky tonk girl So turn that jukebox way up high
And fill my glass up while cry
I've lost everything in this world
And now I'm a honky tonk girl All he ever gave me was a reason to go bad
And it's not hard to see just what I am
I'm ashamed and I'm sorry for everything you see
But losing him has made a fool of me So turn that jukebox way up high
And fill my glass up while I cry
I've lost everything in this world
And now I'm a honey tonk girl
