VirkeligEnglish translation:In a draisine, we float together towards a fantasy
In a draisine, with the city lights flickering byLet me close it all out
Let me sleep a little more/ Leave me to my slumberEveryone just says
What they think they have to sayEveryone just says
Whatever comes their wayI levitate
And leave the tracks
By a wave with my magic wandLet me close it all out
Let me sleep a little more/ Leave me to my slumber
[x2]Is it magic
When it feels this real?
