

# Psychopath

## Cheap Sex

Trapped in a cell for years and years  
These walls have eyes,  
And these walls have ears.  
It's a vicious game they try  
To torture my mind.  
I've been walking the tight rope  
Forever in time.[Chorus:]  
Psycho - he's a psychopath  
Revenge is all he can see  
He's a psycho - a psychopath  
A psycho - and revenge is all he can see!
