

# Truly, Madly, Deeply

## One Direction

Am I asleep, am I awake, or somewhere in between?  
I can't believe that you are here and lying next to me  
Or did I dream that we were perfectly entwined?  
Like branches on a tree, or twigs caught on a vine? Like all those days and weeks and months I tried to steal a  
kiss  
And all those sleepless nights and daydreams where I pictured this,  
I'm just the underdog who finally got the girl  
And I am not ashamed to tell it to the world Truly, madly, deeply, I am  
Foolishly, completely falling  
And somehow you kicked all my walls in  
So baby, say you'll always keep me  
Truly, madly, crazy, deeply in love with you  
In love with you Should I put coffee and granola on a tray in bed  
And wake you up with all the words that I still haven't said?  
And tender touches, just to show you how I feel  
Or should I act so cool like it was no big deal? Wish I could freeze this moment in a frame and stay like this  
I'll put this day back on replay and keep reliving it  
'Cause here's the tragic truth if you don't feel the same  
My heart would fall apart if someone said your name And truly, madly, deeply, I am  
Foolishly, completely falling  
And somehow you kicked all my walls in  
So baby, say you'll always keep me  
Truly, madly, crazy, deeply in love with you I hope I'm not a casualty,  
I hope you won't get up and leave  
May not mean that much to you  
But to me it's everything, everything Truly, madly, deeply, I am  
Foolishly, completely falling  
And somehow you kicked all my walls in  
So baby, say you'll always keep me  
Truly, madly, crazy deeply in love (in love) with you (with you),  
In love (in love) with you (with you)  
In love (in love) with you (with you)  
With you, oh!
