Open Skies

David Crowder Band

Praise Him under open skies
Everything breathing praising God
In the company
Of all who love the KingI will dance, I will sing
It could be heavenly
Turn the music loud
Lift my voice and shoutFrom where I am, from where I've been
He's been there with me
He's built a monument, his very people
So let His people sing, sing, singAnd it's so wonderful
Just to be here nowPraise Him under open skies
Everything breathing praising God
In the company
Of all who love the KingPraise Him under open skies
Everything breathing praising God
In the company
Of all who love the KingPraise Him under open skies
Everything breathing praising God
In the company
Of all who love the KingLet us dance, let us sing
It could be heavenly
Turn the music loud and singAnd it's so wonderful
Just to be here now
And it's so wonderful
Just to be here nowPraise Him under open skies
Everything breathing praising God
In the company
Of all who love the KingPraise Him under open skies
Everything breathing praising God
In the company
Of all who love the KingLift your voice to heaven
Lift up your head and sing
To the One who gave His love
This is our offeringLift your voice to heaven
Lift up your head and sing
To the One who gave His son
Here our lives we bringPraise Him under open skies
Everything breathing praising God
In the company

Of all who love the KingPraise Him under open skies
Everything breathing praising God
In the company
Of all who love the KingPraise Him under open skies
Everything breathing praising God

Of all who love the KingFrom wherever you are
Wherever you've been
He's been there
So let His people singFrom wherever you are
Wherever you've been
He's been there
So let His people singFrom wherever you are
Wherever you've been

So let His people singAnd it's so wonderful
To be here now
