

Vicious Circles

Aaron Lewis

If I could walk on water
Like Jesus did before
If I knew all the answers
To keep you coming back for more
If I could paint a picture
And then cut off my own ear
If I chose all the right colors
Would this just disappear

Because we run in vicious circles
Until we're dizzy with this game
And there's miles and miles between us
Yet we still remain

So if I could write a poem
And find the perfect words
And then put them all to music
Just so my voice gets heard

Because we run in vicious circles
Until we're dizzy with this game
And there's miles and miles between us
Yet we still remain

So if I could walk on water
Like Jesus did before
And if I knew all the answers
To keep you coming back for more

Because we run in vicious circles
Until we're dizzy with this game
And there's miles and miles between us
Yet we still remain

Because we run in vicious circles
Until we're dizzy with this game
And there's miles and miles between us
Yet we still remain
Yet we still remain
