

# Natural Mystic

**Bob Marley**

There's a natural mystic blowing through the air,  
If you listen carefully now, you will hear..  
This could be the first trumpet  
Might has well be the last  
Many more will have to suffer..  
Many more will have to die  
Don't ask me why.

You see things are not the way they used to be  
I won't tell no lies.  
One and all got to face reality... yeah.

Though I try to find the answer  
To all the questions they ask,  
Yet I know it's impossible  
To go living through my past..  
They keep us down.

There's a natural mystic blowing through the air  
I won't tell no lies  
Cos if you listen carefully now, you will hear..  
There's a natural mystic blowing through the air  
Such a natural mystic..blowing through the air.

Though I try to find the answer to all the questions they ask  
Yet I know it's impossible to go living through the past  
They can't keep us down.  
I won't tell no lies  
Cause if you listen carefully now, you will hear...
