You're Driving Me Crazy (What Did I Do?)

George Shearing

You, you're driving me crazy
What did I do? What ever did I do?
My tears for you, they make everything hazy
Clouding the skies that used to be blueHow true were the friends who were near me
To cheer me, believe me, they knew
But you, you were the kind who would hurt me
Desert me when I needed youYes, you, you are driving me crazy
What did I do, did I do to you?How true were the friends who were near me
To cheer me, believe me, they knew
But you were the kind who would hurt me
Desert me when I needed you
