

Worse Than Yesterday (featurin

Tweaker

I'll see you later, I can't imagine why
I'd start allergic reactions
Pour some more sand dear, cover ankle bites
You want it easy, you're kidding? Boy you've gone and done it now
Your stuck down the center, in left of the middle
All those jokes and silly games
You've wasted so much time. Boy you've gone and made a mess
Stuck down in the middle, right left of the center
All these symptomatic things
Are worse than yesterday So sick and tired of automatic wash
Why you don't you do me a favor
I love the smell of arbitrary loss
I want it easy, I'm dreaming Boy you've gone and done it now
Your stuck down the center, in left of the middle
All those jokes and silly games
You've wasted so much time. Boy you've gone and made a mess
Stuck down in the middle, right left of the center
All these symptomatic things
Are worse than yesterday Maybe I could give it one more try
Boy you've gone and done it now
Your stuck down the center, in left of the middle
All those jokes and silly games You've wasted so much time.
Boy you've gone and made a mess
Stuck down in the middle, right left of the center
All these symptomatic things
Are worse than yesterday
