

Consider Me (Eddie Floyd Booker T. Jones)

[Mark Lanegan](#)

I know you're tryin to be a big girl
And keep the tears from your eyes
And it's going to be a little hard
To lift your head up high And you're gonna need a man
A man who'll understand
Whoa darlin darlin darlin
Please consider me Well I know that all your friends
Have left you all alone
And all the good times you had with them are gone
So you need yourself a man Yeah and I'll understand
Well darlin darlin darlin
Please consider me Baby, oh I've felt this way before
Many many many many times before
So you've got to have a man
Yeah and you know I'll understand
Whoa darlin darlin darlin
Just consider me I don't want to be left on the outside
please consider me babe
I don't want to be left all alone
please consider me yeah
I don't want to be left on the outside baby
please consider me yeah
