

Disorder In The House

Warren Zevon

Hey
Disorder in the house
The tub runneth over
Plaster's falling down in pieces
By the couch of pain
Disorder in the house
Time to duck and cover
Helicopters hover over
Rough terrain
Disorder in the house
Reptile wisdom
Zombies on the lawn
Staggering around
Disorder in the house
There's a flaw in the system
And the fly in the ointment's gonna
Bring the whole thing down
The floodgates are open
We've let the demons loose
The big guns have spoken
And we've fallen for the ruse
Disorder in the house
It's a fate worse than fame
Even the Lhasa Apso
Seems to be ashamed
Disorder in the house
The doors are coming off the hinges
The earth will open and
Swallow up the real estate
I just got my paycheck
I'm gonna paint the whole town gray
Whether it's a night in Paris
Or a Fresno matinee
It's the home of the brave
And the land of the free
Where the less you know
The better off you'll be
Disorder in the house
All bets are off

I'm sprawled across
The davenport of despair
Disorder in the house
I'll live with the losses
And watch the sundown
Through the portiere
Here we go
Alright, [Incomprehensible]
Hey, [Incomprehensible]
[Incomprehensible]
