

# I've Got All This Ringing In My Ears

## Fall Out Boy

You're a canary, I'm a coal mine  
'Cause sorrow is just all the rage  
Take one for the team  
You all know what I mean

And I'm so sorry but not really  
Tell the boys where to find my body  
New York eyes, Chicago thighs  
Pushed up the window to kiss you off

The truth hurts worse than anything  
I could bring myself to do to you  
The truth hurts worse than anything  
I could bring myself to do to you

Do you remember the way I held your hand  
Under the lamp post and ran home this way?  
So many times, I could close my eyes

The truth hurts worse than anything  
I could bring myself to do to you  
The truth hurts worse than anything  
I could bring myself to do to you

The truth hurts worse than anything  
I could bring myself to do to you  
The truth hurts worse than anything  
I could bring myself to do to you

The truth  
The truth  
Ah-ah-ah-ah-ah-ah
