

The River

Bruce Springsteen & The E Street Band

I come from down in the valley
Where mister when you're young
They bring you up to do like your daddy done
Me and Mary we met in high school
When she was just seventeen
We'd ride out of this valley down to where the fields were green
We'd go down to the river
And into the river we'd dive
Oh down to the river we'd ride Then I got Mary pregnant
And man that was all she wrote
And for my nineteenth birthday I got a union card and a wedding coat
We went down to the courthouse
And the judge put it all to rest
No wedding day smiles no walk down the aisle
No flowers no wedding dress That night we went down to the river
And into the river we'd dive
Oh down to the river we did ride I got a job working construction for the Johnstown Company
But lately there ain't been much work on account of the economy
Now all them things that seemed so important
Well mister they vanished right into the air
Now I just act like I don't remember
Mary acts like she don't care
