(LSG)

Are you ready?

(Round and round we go)Round and round we go

Where we gonna stop nobody's gotta know

Round and round we go

Where we gonna stop nobody's gotta knowI'll be a fool for you, baby

If you want me to

I will never lie

Never cheat on youTrust in me, girl

All the things that you do

I wanna make sweet love

Sweet love to youRound and round we go

Where we gonna stop nobody's gotta know

Round and round we go

Where we gonna stop nobody's gotta know

Say nobodys gotta knowI'll be your puppet on a string

You can handle me

Girl, won't you lay your body down

Right here next to me?Touch me where you want to

And I'll touch you back

I'll leave everything to you

'Cause I know you like it like thatRound and round we go

Where we gonna stop nobody's gotta know

Round and round we go

Where we gonna stop nobody's gotta knowRound and round we go

Where we gonna stop nobody's gotta know

Round and round we go

Where we gonna stop nobody's gotta knowRound and round

Round and round

Round and round
