weakness

Swarrrm

She aims a smile with the safety off
And she's not afraid to use it
She holds my gaze just long enough
For me to feel like I'm gonna lose it
And I know that she knows
That I know what she's doing to me
And she knows when she calls
I'll fall for her every time
'Cause I'm wrapped I'm wrapped around
Her perfect little finger
And I'm trapped inside the sound
Of every sigh she makes
She is my weakness
She is my weakness
A look from her is like oxygen
How would I keep breathing without her
She breaks a whole as she looks away
Now my heart ain't beating without her
And I know that she knows
That I know what she's doing to me
And she knows when she goes
I'll come for her every time
'Cause I'm wrapped I'm wrapped around

Her perfect little finger
And I'm trapped inside the sound
Of every sigh she makes
She is my weakness
She is my weakness
I know it might sound crazy
But I don't wanna let go
Now I don't mind spending
Every night if you don't let go
I know it might sound crazy
But I don't wanna let go
Now I don't mind spending
Every night if you don't let go
I know it might sound crazy
But I don't wanna let go

Now I don't mind spending
Every night if you don't let go
'Cause I'm wrapped I'm wrapped around
Her perfect little finger
And I'm trapped inside the sound
Of every sigh she makes
She is my weakness
She is my weakness
Oooooo
