

# U Make Me Wanna

## Blue

You know U make me wanna  
You know U make me wannaTo start it off, I know you know me  
To come to think of it, it was only last week  
That I had a dream about us, oh ohThat's why I am here, I'm writin' this song  
To tell the truth you know I've been hurtin' all along  
Someway let me know. You want me girl.Every time you see me what do you see?  
I feel like I'm a poor man and you're the queen  
Oh baby, you're the only thing I really need  
Baby that's whyU make me wanna call you in the middle of the night  
U make me wanna hold you till the mornin' light  
U make me wanna love, U make me wanna fall  
U make me wanna surrender my soulI know this is a feelin' that I just can't fight  
You're the first and last thing that's on my mind  
U make me wanna love, U make me wanna fall  
U make me wanna surrender my soulWell, I know that these feelings won't end and  
They'll get stronger if I see you again  
Baby, I'm tired of being friends,  
I wanna know if you feel the same  
And could you tell me do you feel my pain?  
Don't leave me in doubt.Every time you see me what do you see?  
I feel like I'm a poor man and you're the queen  
Oh baby, you're the only thing that I really need  
And baby that's whyU make me wanna call you in the middle of the night  
U make me wanna hold you till the mornin' light  
U make me wanna love, U make me wanna fall  
U make me wanna surrender my soulI know this is a feelin' that I just can't fight  
You're the first and last thing that's on my mind  
U make me wanna love, U make me wanna fall  
U make me wanna surrender my soulI'll take you home real quick  
And sit you down on the couch  
Pour some Dom Perignon and hit the lights out  
Baby, we can make sweet love, whoaThen we'll take it nice and slow  
I'm gonna touch you  
Like you've never known before  
We're gonna make love, ohhU make me wanna call you in the middle of the night  
U make me wanna hold you till the mornin' light  
U make me wanna love, U make me wanna fall  
U make me wanna surrender my soulI know this is a feelin' that I just can't fight  
You're the first and last thing that's on my mind

U make me wanna love, U make me wanna fall  
U make me wanna surrender my soulU make me wanna call you in the middle of the night  
U make me wanna hold you till the mornin' light  
U make me wanna love, U make me wanna fall  
U make me wanna surrender my soulI know this is a feelin' that I just can't fight  
You're the first and last thing that's on my mind  
U make me wanna love, U make me wanna fall  
U make me wanna surrender my soul
