

# Borderlines And Aliens

## Grouplove

Borderlines and Aliens  
Glowing in the dark.  
Borderlines got every man  
Ready to jump off. I lost my head in the gate today.  
So ari-ari-ari-gato.  
I lost my head in the gate today.  
So ari-ari-ari-gato, gato  
One by one, they fall.  
One by one, they fall.  
Quarter, dime and penniless  
In a parking lot  
I got a black cat baby and it's following us  
I got a black cat baby and it's packed away  
I got a black cat baby and it's wrapped around my leg. I lost my head in the gate today.  
So ari-ari-ari-gato  
I lost my head in the gate today.  
So ari-ari-ari-gato, gato  
One by one, they fall.  
One by one, they fall, fall. Borderlines and aliens  
Glowing in the dark.  
Borderlines got every man  
Ready to jump off  
One by one, they fall.  
One by one, they fall, fall, fall.
