

In These Times

Pat Benatar

What's the use in staying
When everything's a lie
I hear what you're saying
And it makes me want to cry You know the truth is so overrated
That should come as no surprise
It's all so complicated
Especially in these times Don't it make you crazy?
Don't it make you ask yourself why?
Nobody's got an answer
Especially in these times Life is like a puzzle
Best to chose the edges first
And work back to the middle
To the places where it hurts Lately, I've been thinkin'
Maybe there's a chance for us
If we take it slow now
And don't expect too much Don't it make you wonder?
Don't it make you ask yourself why?
Nobody's got an answer
Especially in these times And don't it make you crazy?
Don't it make you ask yourself why?
Nobody's got an answer
Especially in these times Ooh, ooh
What's the use in stayin'
When everything's a lie
And there's nothing sacred
Especially in these times Hey, don't it make you crazy
Don't it make you ask yourself why?
Nobody's got an answer
Especially in these times And don't it make you wonder?
Don't it make you ask yourself why?
Nobody's got an answer
Especially in these times
In these times
