New Doo Review

Parliament

Ewww, Ewwwww, Ohhh, play the game

To play the game, if you win the game (you've got to win)

It's the new doo review (got the game now how do we play it?)
Comin', comin', comin'
Comin' for you (gonna do the new doo day to day)
It's the new doo review (what would funkers do?)
Comin', comin', comin' (they do what they gotta do)

I wanna do what funk do
I wanna do what funkers do

Do the new doo until it's done
(-?????- sounds like Jessica Cleaves)

Comin, comin', comin' (Do I have a new doo day to day?)

If a little dab won't do ya (Why use Brylcream? It's nothing but water)
If a little dab won't do ya (Your new doo come undone)

If a little dab won't do ya
Go do the new doo day to day

Can you guess who I am?
I was blowin' before the wind
I was before cro-magnon and cro-neanderthal, jivin' before java
Fresh out of monkey-hood

Can you guess who I am?
Wiggle my monkey
Monkey see monkey do (I didn't want to do it
(you made me do it)
Monkey see monkey do (They lied to you. It goes like
This: "If you fakes the funk
Your lip will grow")
Ah - ha -ha
Ah - ha ha ha ha ha

(They lied to you. If you fake the funk your lip will grow)

[This sound ?]

(.....fresh out of monkey-hood)

Blow says the Nose you're growing

[This sound ?]

I will never dance, I will never blow my doo

Ha ha! The New Doo Review!

Coming, coming, coming
Coming for you
It's the new doo review (x2)

You play the game
If you win the game (stop playing)

Coming, coming, coming
Coming for you
It's the new doo review

Got the game now how do we play it?

Coming, coming, coming
Coming for you
It's the new doo review

Gonna do the new doo, day to day

Coming, coming, coming
Coming for you
It's the new doo review

Dippity doo da day
Dippity doo da day
Dippity doo da day

Coming, coming, coming
Coming for you
It's the new doo review

DIPPITY DOO DA DAY!

A little dab will do ya

[It's done?]

(Don't) let me catch ya with your doo undone

No, no

It's time

[-?- (Garry)] [-???- (Brides)]

(Don't) let me catch ya
Don't let me catch ya with your do undone, no

Don't get me with your doo undone, no

It's the new doo review coming after you

If a little dab won't do ya (If a little dab won't do ya)
If a little dab won't do ya (If just a little dab won't do you, If just
A little dab won't do ya)

Dippity do da day
Dippity do da day

If a little dab won't do ya

It's the new doo review

Got the game now how do we play it?

Gonna do the new doo day to day

Comin', comin', comin' Comin' for you
It's the new doo review

Don't let me see you when your doo come undone, no!

Comin', comin', comin' Comin' for you
It's the new doo review

Dippitty do da day
Dippitty do da day

Don't let me see you when your doo come undone
