Who I Am Hates Who I've Been

Relient K

I watched the proverbial sunrise

Coming up over the Pacific end

You might think I'm losing my mind

But I will shy away from the specificsCause I don't want you to know where I am

Cause then you'll see my heart

In the saddest state it's ever been

This is no place to try and live my lifeStop right there! That's exactly where I lost it

See that line? Where I never should've crossed it

Stop right there! Where I never should've said that

It's the very moment that I wish that I could take backI'm sorry for the person I became

I'm sorry that it took so long for me to change

I'm ready to make sure I never become that way again

Cause who I am hates who I've been

Who I am hates who I've beenI talk to absolutely no one

Couldn't keep to myself enough

And the things bottled inside

Have finally begun to create so much pressure

That I'm to blow up and I heard the reverberating footsteps

Syncing up to the beating of my heart

And I was positive that unless I got myself together

I would watch me fall apartAnd I can't let that happen again

Cause then you'll see my heart

In the saddest state it's ever been

This is no place to try and live my lifeStop right there! That's exactly where I lost it

See that line? I never should've crossed it

Stop right there! I never should've said that

It's the very moment that I wish that I could take backStop right there! That's exactly where I lost it

See that line? Well, I never should've crossed it

Stop right there! Well, I never should've said that

It's the very moment that I wish that I could take backI'm sorry for the person I became

I'm sorry that it took so long for me to change

I'm ready to make sure I never become that way again

Cause who I am hates who I've been

Who I am hates who I've beenWho I am hates who I've been

And who I am will take the second chance you gave me

Who I am hates who I've been

'Cause who I've been only ever made meSo sorry for the person I became

So sorry that it took so long for me to change

I'm ready to make sure I never become that way again

Cause who I am hates who I've been Who I am hates who I've been
