

# Only Love Can Hurt Like This (Off the Cuff)

## Paloma Faith

I'd tell myself you don't mean a thing  
But what we got, got no hold on me?  
But when you're not there I just crumble  
I tell myself that I don't care that much  
But I feel like I'm dying till I feel your touch  
Only love, only love can hurt like this  
Only love can hurt like this  
Must have been a deadly kiss  
Only love can hurt like this  
Say I wouldn't care if you walked away  
But every time you're there I'm begging you to stay  
When you come close I just tremble  
And every time, every time you go  
It's like a knife that cuts right through my soul  
Only love, only love can hurt like this  
Only love can hurt like this  
Must have been a deadly kiss  
Only love can hurt like this  
Only love can hurt like this  
Your kisses burning to my skin  
Only love can hurt like this  
But if the sweetest pain  
Burning hot through my veins  
Love is torture makes me more sure  
Only love can hurt like this  
Only love can hurt like this  
Only love can hurt like this  
Must have been the deadly kiss  
Only love can hurt like this  
Only love can hurt like this  
Your kisses burning to my skin  
Only love can hurt like this  
Only love can hurt like this  
Save me, save me  
Only love, only love  
'Cause only love can hurt like this  
And it must have been the deadly kiss
