

Blue Blue Ocean

Echo & the Bunnymen

One in a million, one and the same
Looking for freedom, born to be tamed
Once in a lifetime, one of these days
Gonna grab me a lifeline, swinging my wayIm swimming out on a blue, blue ocean
Youre sailing out on a blue, blue sea
Silhouettes and a vulture hoping
Hes gonna pick the bones of you and me
You and meHearts of fires, hearts of bone
Beating stronger, beating home
Where theres wanting, there is need
Where theres having, there is greedIm swimming out on a blue, blue ocean
Youre sailing out on a blue, blue sea
Silhouettes and a vulture hoping
Hes gonna pick the bones of you and me
You and meGirl I want the gold dust in your fingers
And your klondike touch
Girl I want the goldmine as it shimmers
In your solemn eyesIm swimming out on a blue, blue ocean
Youre sailing out on a blue, blue sea
Silhouettes and a vulture hoping
Licking the bones of you and meIm swimming out on a blue, blue ocean
Youre sailing out on a blue, blue sea
Blue, blue seaIm swimming out on the ocean
(Blue, blue ocean)
Youre sailing out on the sea
(Blue, blue sea)
Im swimming out on the ocean
(Blue, blue ocean)
Youre sailing out on the sea
(Blue, blue sea)Im swimming out on the ocean
(Blue, blue ocean)
Youre sailing out on the sea
(Blue, blue sea)
Im swimming out on the ocean
(Blue, blue ocean)
Youre sailing out on the sea
(Blue, blue sea)Blue, blue ocean
Blue, blue sea
