

How Did I Get Through the Day?

Har Mar Superstar

How did I get through the day?
How did I get through that may?
Oh when you took your love away
How did I sit through that pain?
Oh, how did I get through that day?
How did I?
How did I get through the day?
And I would wait around for you
Waiting there like a dog would do
How did I get through the day?
How did I get through that may?
Oh when you took your love away?
How did I?
How did I sit through the pain?
You are my soul
Yeah my jelly roll
I'm all alone
Watching the phone
But you ain't comin' home
How did I get through the day?
Oh how did I?
How did I get get get...
How did I?
How did I?
How did I?
Get through the day?
