Hey Now

Finley Quaye

Hey now, where have you been
You know that I've been waiting for you
Hey now, what have you seen
You know that I've been looking for youMy electric field, my sound field
Electric water, ebb tidal sound
My electric field, my sound field
Electric waterHey now, feel me on the sand
You know that I've been waiting for youI should make mention of Rehab and Babylon
To them that know IHey now, where have you been
You know that I've been waiting for you
Hey now, what have you seen
You know that I've been looking for youRas, duke
Ras, duke
