

Box of Crayons

The Pop Ups

i draw myself a world with a box of crayons
i draw myself a world with a box of crayons
I start with blue to fill up the sky
i leave some white to make the clouds go by
and I draw myself a world with a box of crayons
i draw myself a car with a purple crayon
i draw myself a car with a purple crayon
i draw a box with a seat inside
add four circles for the wheels to ride
I draw myself a car with a purple crayon I draw a kangaroo w/ a brown crayon
w a big brown tail and a pouch that I hope will stay on
I know exactly what she's trying to find
so I take a green crayon and draw tiny lines
and I draw a field of grass for her to play on colors my favorite colors
all these colors such beautiful colors Yellow zig zag lightning fills the sky
And cold grey raindrops splash into my eyes
I want to keep my little friends from harm
so I take a red crayon and draw us a barn!
I draw myself a barn with a red crayon I draw myself a sun with a yellow crayon
a circle with some lines to get it's ray on...
and suddenly a rainbow fills the air
I can see all my favorite colors shining there
I draw myself a rainbow with all my crayons And I see colors
My favorite colors
colors beautiful colors...
