

Am I Dead Yet

GBH

The pen they say is mightier than the sword
But don't for a minute believe a lying word
They'll do anything to try and sell their ware
They've got no morals and they don't really care

Chorus

Am i

Am i dead yet

Am i

Am i dead yet

Am i dead...yet

They've got the freedom others have'nt got
They get away with murder and we do not sensationalise
anything that's dull

It can't go on the street it it's not full

Chorus

The cheapo-porn is bound to get the men
Think twice when it has a reading age of ten
Trevial stories get caught in their net
And they can bury you if you're a threat

Chorus
