I give it all
Everthing that i am
I give it all, all, all

Everthing that i am
I give it all, all, all
(2x)

My heart, my life, my love
My mind, my will, everything, everything
Eh eh eh eeh eeh, oh oooooh

(Back to *)

I give it all
I give it all,))n))n
Yes i give all
I give it all,))n))n
Yes i give all
I surrender my life
Yes i give it all.
(2x)

Heart, my mind and my body
Everything that i am
Heart, my mind and my soul
Everything that i am
I don't want it no more
You can have it all
Everything that i am
Everything that i am
(2x)

Unto thee my blessed saviour

I surrender all
I surrender my heart, my life, my love
My mind, my will, everything, everything
Eh eh eh eeeeh, oh oh ooh oooooh

I give it all
Everything that i am
I give it all, all, all
