Downtown

Majical Cloudz

Nothing you say
Will ever be wrong
Cause it just feels good being in your armsAnd I'm running with you
As fast as I can
Singing to myself I wanna hold your handAnd we're going downtown
Cause we feel like running around
Is it really this fun when you're on my mind
Is it really this cool to be in your lifeThere's one thing I'll do
If it ever goes wrong
I'll write you into all of my songsAnd if suddenly I die
I hope they will say
That he was obsessed and it was okayCause we're going downtown
And we feel like running around
Is it really this fun when you're on my mind
It is really this cool to be in your lifeAnd I'm going crazy
Crazy for you
I'm going crazy
Crazy for youI'm going crazy
Crazy for you
I'm going crazy
Crazy for youFor you
