

# Little Cloud

## Incredible String Band

How sweet to be a cloud  
Floating in the blue  
Lying awake, late the other night  
I heard above me a trembling  
I looked up, it was a little cloud  
From which a gold string was dangling  
You know, I gave the string a little pull  
Just to see what was on the other end  
Just then a voice came down to me and says  
"Hey, now, don't you want to be my friend"  
And float with me to distant lands, wondrous and fair  
Float with me to distant lands, wondrous and fair  
You see I'm just a happy little cloud  
I laugh and the float and the sing my song  
But the other clouds don't like me none  
They say, I am behaving so very wrong  
You see a cloud's supposed to be sad  
To cry and weep and tear its hair and all  
And don't matter how hard I try  
I can't get the first little tear to fall  
Oh float with me to distant lands, wondrous and fair  
Float with me to distant lands, wondrous and fair  
I said, "Hey, I like you little cloud  
You are a nice little fellow, yes"  
"You making some, kind of a joke?", said the cloud  
"Now can't you see I'm wearing such a pretty dress?  
You see I am the prettiest little chick cloud  
That you'd find anywhere up above  
I just dropped in on you awhile  
To see if you could give me some kind of love  
And float with me to distant lands, wondrous and fair  
Float with me to distant lands wondrous and fair  
Just then the chief cloud come into view  
And says, "Hey, girl, now what you think you're doing there?  
I told you so many times before  
You just don't seem at all to care  
You know you should be floating up above  
Now don't let me catch you down here again  
And as my cloud rolled out of view  
There come falling down a gentle shower of rain  
Happy rain come falling down  
Red, green, blue and golden  
And every drop, as it fell, it smiled  
And, throwing back its head, began singing  
Oh, float with me to distant lands, wondrous and fair  
Float with me to distant lands, wondrous and fair
