

Let Me Shut That for You

Overkill

Hey hey hey hey
Hey hey hey hey
Hey
Yeah yeah
Yeah yeah Here come Mr. 'I ain't like that'
Mr. 'You can count on me'
Here come evolution, walkin' with stupidity Waste a' time, waste a' my time
Give it up, lay it down, play the bottom line
Waste a' time, waste a' prime time
Hey, let me shut that for you
Hey hey hey hey
Hey hey hey hey Yeah, gotta gotta get gotta get me some
Yeah, gotta gotta gotta gotta get me some There go no one get over me, Mr. 'Not behind your back'
Muthafucka got a larger than life, full a' shit, short a' fact Waste a' time, waste a' my time
Give it up, lay it down, play the bottom line
Waste a' time, waste a' prime time
Hey, let me shut that for you
Hey hey hey hey
Hey hey hey hey There's a kind of hush all over the world tonight
All over the world, you can hear the sound
There's a kind of hush all over the world tonight
All over the world, you can hear the sound
There's a kind of hush all over the world tonight
All over the world, you can hear the sound
Know what I mean? Sit down, and shut up
Sit the fuck down, and shut the fuck up Stoop muthafucka gettin' under my skin
Runnin' away with that mouth again Ah ah ah got nothin' better to do
S.M.F. let me shut that for you Waste a' time, waste a' my time
Give it up, lay it down, play the bottom line
Waste a' time, waste a' prime time
Hey, shut the fuck up
Hey hey hey hey
Hey! Ahh!
