

# Missin' and Wishin'

Drew Jacobs

It's late at night, I'm all alone  
I see your number on my phone  
And I think maybe  
I should give you a call  
If you were here it wouldn't be  
This glass of whiskey and just me  
And maybe  
I wouldn't hurt at all  
I wouldn't be missin' and wishin' that I was kissing you  
Reminiscing and listening to all your favorite tunes  
Every single song, every memory that we made  
I wouldn't be cussing and bitching  
Yelling and breaking shit  
Screaming out your name and throwing fits  
Every night I hear you whisper in my dreams  
Baby I still love you  
Even though you're not  
Lovin' me  
I see the way you look at him  
I remember when you looked at me  
And said baby you're my only one  
If you were here it wouldn't be  
These broken memories and just me  
And maybe I wouldn't hurt at all  
I wouldn't be missin' and wishin' that I was kissing you  
Reminiscing and listening to all your favorite tunes  
Every single song, every memory that we made  
I wouldn't be cussing and bitching  
Yelling and breaking shit  
Screaming out your name and throwing fits  
Every night I hear you whisper in my dreams  
Baby I still love you  
Even though you're not  
Lovin' me  
All those days I spend alone just thinkin' 'bout you  
All those nights I spend alone just dreamin' about you  
And I wish that you were here  
'cause then I wouldn't be  
Missin' and wishin' that I was kissing you

Reminiscing and listening to all your favorite tunes  
Every single song, every memory that we made  
I wouldn't be cussing and bitching  
Yelling and breaking shit  
Screaming out your name and throwing fits  
Every night I hear you whisper in my dreams  
'cause girl I wouldn't be  
Missin' and wishin' that I was kissing you  
Reminiscing and listening to all your favorite tunes  
Every single song, every memory that we made  
'cause then I wouldn't be  
Cussing and bitching  
Yelling and breaking shit  
Screaming out your name and throwing fits  
Every night I hear you whisper in my dreams  
Baby I still love you  
Even though you're not  
Lovin' me
